DP World Cochin's 3rd Anniversary Celebrations

This year new events had been introduced, in sports and games, there was Table tennis, sack race, lemon gathering, caroms (doubles). In cultural events, there was photography competition, short story writing, light music competition & Malayalam movie song competition.

Another special feature this year was, the family meet conducted. Families were taken on a tour around the terminal. This gave them a chance to understand the activities of a terminal and also to interact with the other families. Around 30 families had participated in the events conducted.

External Training at a B-School

As part of DP World, Cochin's Management Development Programme; a two day workshop had been organized for executives at the Rajagiri School of Management, Kochi.

The workshop was on Team Building. It was customized to combined games / group activities.

It helped to create awareness amongst participants on how to work as a team and the need to trust our team members to achieve goals for our team as well as for the organization as a whole.
