

# Family outing at athirapilly and vazhachal

## Oru Vinodayathra...

**O**n Saturday, 26 January 2008, I set out on a trip from my dad's office with his friends and their families to Athirappally & Vazhachal. These places are best known for its water falls.

Our first stop was at Vazhachal. It is located upstream near a dense forest and the view was just breath taking. We spent nearly an hour there and then started off to Athirappally. It's really difficult to make out which off the two falls is actually more magnificent. After spending some time with nature's beauty and having a scrumptious lunch, we played a lot of games which I had really enjoyed.

We started our return journey by around 6.00 pm .  
The trip was a pleasurable experience and I am looking forward to the next picnic from my dad's office.

**M**y dad and his friends' arranged a family picnic on 26.Jan.2008 to Athirapilly and Vazhachal. I was just so excited to see these places that I had heard so much about. We started off on our journey at 8.00 am.

We reached Vazhachal by 10.00.All of us got down from the bus and went in groups to see the falls. It was a beautiful sight to see the water gushing down the stream. We took lot of snaps with our families and friends. After spending some time there, we started off to Athirapilly. At Athirapilly we went for trucking and played in the stream. There were lot of games organized for us. All of us had participated in them.

It was so much fun to be there that, we didn't know how late it got till our parents called us to board the bus and start our return journey. I felt sad when we got home, but the memories will always remain fresh.
